have other severe disabilities, and to
delete commodities and services
previously furnished by such agencies.
**COMMENTS MUST BE RECEIVED ON OR

SUPPLEMENTARY INFORMATION: This
notice is published pursuant to 41
U.S.C. 47(a)(2) and 41 CFR 51-2.3. Its
purpose is to provide interested persons

the possible impact of the proposed
actions.

Additions

If the Committee approves the
proposed addition, all entities of the
Federal Government (except as
otherwise indicated) will be required to
procure the commodity and services
listed below from nonprofit agencies
employing persons who are blind or
have other severe disabilities.

I certify that the following action will
not have a significant impact on a
substantial number of small entities.
The major factors considered for this
certification were:

1. The action will not result in any
additional reporting, recordkeeping or
other compliance requirements for small
entities other than the small
organizations that will furnish the
commodity and services to the
Government.

2. The action does not appear to have
a severe economic impact on current

contractors for the commodity and
services.

3. The action will result in
authorizing small entities to furnish the
commodity and services to
the Government.

4. There are no known regulatory
alternatives which would accomplish
the objectives of the Javits-Wagner-
O'Day Act (41 U.S.C. 46-48c) in
connection with the commodity and
services proposed for addition to the
Procurement List. Comments on this
certification are invited. Commenters
should identify the statement(s)
underlying the certification on which
they are providing additional
information.
